FLIP For the Organization

FLIP Certifications - Simplified Hiring, Enhanced Growth

FLIP certifications aim to create a knowledge benchmark across the industry; recognized by prominent banks and financial institutes, they are conducted regularly across all major cities in India. FLIP certifications test the knowledge, application and analytical skills required for any role in BFS. FLIP certifications will not just showcase your employee talent pool but will help save costs across the

By accrediting and accepting FLIP certification as a standard benchmark for hiring employees, you get free access to the FLIP recruitment portal. You can post your organizational requirements which **will be accessed only by those FLIP users of the required seniority and skill set.**

(Retail Banking RM's post-> Retail Banking Intermediate Users).
FLIP will also recommend certified candidates per your requirements.

Save 49% on 'Hiring Efforts' and 70% on all 'Hiring Costs'

Endorsement Partners: Endorse our certifications and build a base of pre-trained and certified candidates you can choose from.

Sales Partners: Innovative, role-specific e-learning modules to help employees learn anytime, anywhere. Achieve improved performance while cutting training costs.
